Legal Assistance: This free service allows eligible Wisconsin residents to post legal questions for volunteer lawyers. Lawyers who have signed up to participate in this program select the questions that they want to answer.

Eligibility: This program is available to Wisconsin residents with low income whose legal issue **would not result in jail time**, so long as they **don't have a lawyer already helping with this problem**. You can only use this website if all of these things are true. You must agree to tell the truth. Answers will be kept secret. For State of Wisconsin residents only.

Disclaimer: There is no guarantee that a lawyer will answer your question; this is another resource to use but not a promise of help. Your question will be up for 14 days. A lawyer could answer it right away, or after several days. Please check back to see if your question was answered.
